

Hi All,

Easter morning has passed and it's time to remember that's when the 1st Walk to Emmaus happened. Please remember how you felt during that 72 hour walk that we all have taken.

The Walk to Emmaus is alive and well around the world and in Southwest Florida.

Before you continue, please click on this link to the song/video called "The Commission" by Cain.

These words from the Lyrics really speak to all of us:

"My spirit is with you wherever you go.

You have a purpose, and I have a plan.

I'll make you this promise.

I'll come back again, but until then:

Go tell the world about me

I was dead, but now I live".

We have all wished and prayed to be able to continue having Walks to Emmaus available for new pilgrims and to be able to participate in walks ourselves.

Your thoughts and prayers have been germinating during the months, that turned into years. Those seeds have taken root and are now bearing fruit.

We are all a part of the Body of Christ and a part of the Emmaus Community worldwide. Jesus has commissioned us to go make disciples of all the world. He designed us to live and work and be in community.

The Suncoast Emmaus board of directors has graciously opened their doors to everyone interested in "The Walk to Emmaus" activities: reunion groups, gatherings, sponsorship, and participation in all forms of "The Walk to Emmaus" experiences in Southwest Florida.

Many of our thoughts have changed over the months from; what must be done, to what can be done, to what am I going to do, to what am I doing.
